# HILLTOPPER

Published by the Senior Class of  
BETHEL HILL HIGH SCHOOL  
Woodsdale, North Carolina

Virginia Riley, Editor  
Carey Gillis, Business Manager

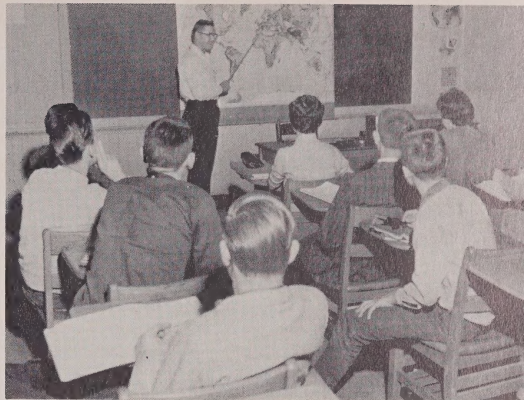

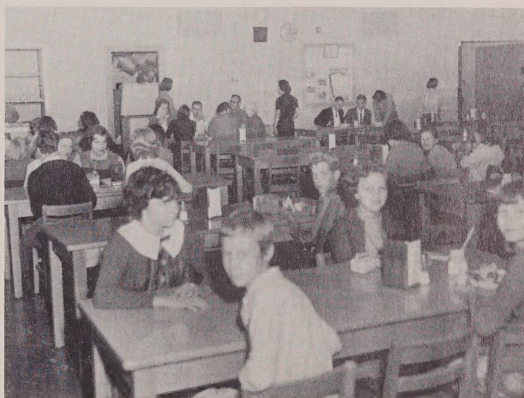

To exercise our minds we go to Mr. Robinson's dear old History Class.

The best period of the day--LUNCH TIME!  
Made much better by our new cafeteria.

Due to our vigorous amount of energy, we resort to playing such sports as volley-ball.

ALL OF

*"this is our School!"*

“it’s *friendly*”

“ it’s *informal* ”

“ it’s *work* ”

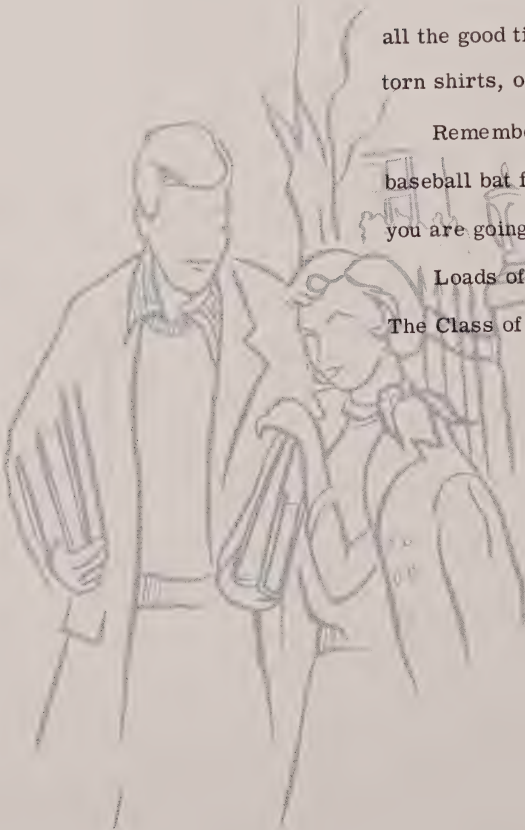

“it’s *play*”

# Foreword

In the following pages of this book, we will strive to fill your heart with an even deeper admiration for your school than you already have. Maybe there will be an occasional chuckle or two. It is the sincerest wish of the Senior Class and especially the Annual Staff that this year's '59 Hilltopper will always be a reminder of the happy school days behind you. May you never forget your classmates both friend and foe. Remember all the good times you had going home with dirty pants, torn shirts, or an occasional torn dress.

Remember the day you slugged "Johnny" with the baseball bat for teasing you; and now six years later you are going steady with "Johnny".

Loads of luck from the best Senior Class ever---  
The Class of '59.

Geometry-----To maintain our mathematical ability we concentrate on the problems at hand, while it is being explained by Mr. Hopkins.

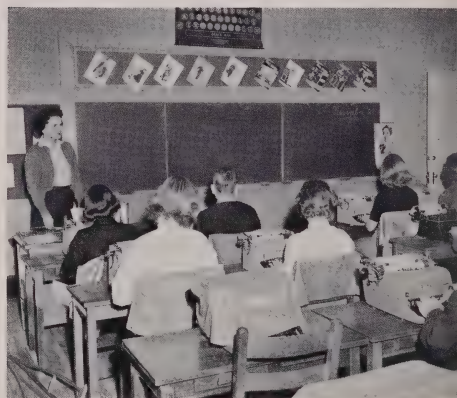

English-----With the help of these two ladies we try to learn a fair amount of English for our use in the days to come when we get out on our own.

## Work - Work - Work

English-----Miss Moore, our newest faculty member, is explicit in explaining to her English Class.

Typing-----To help each of the typing students learn to think and type at the same time; Mrs. Adcock patiently drills them day after day.

Home Economics -----Preparing these girls for future homemakers Mrs. Carver encourages her girls to practice their homemaking now, instead of waiting to practice on their husbands.

Mr. Bridges has the entire class groping for the answer to the most difficult algebra problem they ever encountered.

The Homecoming festivities consisted of the crowning of the '58 Homecoming Queen, Miss Virginia Riley and a Homecoming Dance that followed the football game. The attendants, wearing the flowers that had been given them, rode in convertibles with their escorts during the Homecoming exercises.

Bethel Hill's 1958-59 Homecoming Queen, Miss Virginia Riley, was crowned by Miss Cindy Clayton, Homecoming Queen of 1957-58. Miss Riley was accompanied by her escort, Billy Day.

## Halloween King and Queen

The highlight of the Halloween Carnival was the crowning of the '58 Halloween King and Queen, Miss Barbara Slaughter and Charles Good. The contestants dressed especially for the occasion and penny votes were casted for them at the carnival. The Halloween Carnival consisted of an auction sale, various games, and side-shows, along with the King and Queen contest. There was fun for all.
